## Tips on public transport in Riga

**TICKETS:** there is electronic ticketing system **e-talons**

Tickets can be purchased from ticket machines or Narvesen kiosks or some shops. For a complete list of locations, click here [ej.uz/tickets\\_Riga](http://ej.uz/tickets_Riga)

You cannot purchase tickets on the transport. (except for bus N°22, which goes to the airport)

For easier navigation, you can use the Riga Public Transport website, where you will find all routes, timetables, and additional information:  
[ej.uz/transport\\_Riga](http://ej.uz/transport_Riga)

If you see this sign at the stop, it indicates a 'request stop.'

- Make sure you are visible to the driver at the stop.
- Or press the 'stop' button before reaching the stop if you wish to get off.
